

The story of the pharaoh

One day the pharaoh died and the people were very unhappy.

They mummified the pharaoh and built a pyramid. They put pharaoh in a coffin and carried the coffin in the pyramid with treasure and clothes and jewellery. Then they put a stone in front the entry.

3000 years later robbers come and wanted to steal the wonderful things. In the tomb they found clothes, treasure and jewellery. Suddenly the mummy woke up.

The robbers felt very scared and ran away. They never came back to the pyramid.
